

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This display of propaganda and managed news is not only un-American and destructive to our republic. It clearly shows that an oligarchy runs our country. The citizens depend on this board for fairness. Please stop Sinclair's display of contempt for a fair democratic process. These airways belong to US, and the FCC is our safeguard.
